This matter comes before the Public Service Commission of South Carolina ("Commission") on consideration of the November 30, 2009 letter from the Office of Regulatory Staff which states, *inter alia*, that effective January 1, 2010, motor carriers will not be allowed to register one (1) vehicle under multiple certificates.

This Commission would request that ORS refrain from refusing to issue multiple certificates to a single vehicle, until such time that oral argument is held before this Commission concerning ORS's authority to take such action, and the Commission thereafter determines its disposition of this matter. We would direct the Commission Staff to schedule oral argument as soon as possible.

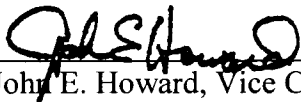

This Order shall remain in full force and effect until further order of the Commission.
